

## **Water Wastewater Plant Operator**

The City of Jefferson Water Wastewater Utility has an opening for the position of Plant Operator. The Plant Operator, as part of a team, is responsible for the operation and maintenance of the wastewater treatment plant, sanitary sewer collection system and water systems. The starting wage is \$29.45 along with a benefits package. Weekend and holiday work is required on a rotational basis. This is an entry level position. Prior water, wastewater and other work experience will be considered for starting wage.

Qualifications: High school diploma or equivalent. Additional education and/or experience as required to perform the essential functions of this position. Demonstrated aptitude for the work to be performed. Possession of a valid WI commercial driver's license preferred. General Wisconsin DNR Wastewater Certification within first year of employment, encouraged to be advanced level in all subgrades related to the Treatment Facility. The City will assist in obtaining the certifications.

Application forms and a complete job description are available for pickup at City Hall, 317 South Main Street, Jefferson, WI 53549 or on-line at [www.jeffersonwis.com](http://www.jeffersonwis.com). Completed application forms, inclusive of a letter of application and resume (no electronic submissions) must be submitted to Todd Clark, Director of Public Works, to the address above. The position will be advertised until a candidate is hired.
